TOTs at Rawalpindi and Nowshera

Shehersaaz held Training of Trainers at both Rawalpindi and Nowshera where active and passionate ladies from the community were trained to carry out the roll out training plans related to Solid Waste Management and Kitchen Gardening in their respective allocated areas.

Community Spotlight

Sameen is a young and budding self-taught artist of our community who is a talented painter and enjoys drawing nature, she recently started her social media page and has started selling artwork that depicts nature in its beautiful colors. Sameen often takes part at the Shehersaaz events and is always eager to share her thoughts and ideas. We really appreciate her aptitude in art skills and wish to associate her as our future "Community Champion".
