Community Spotlight

Ms. Ayesha Fayyaz a multi-talented lady from Dhoke Hassue, who is a true inspiration for many young girls and ladies, after being trained from Shehersaaz in "Making Compost" she started making it at home and started growing her own food, thus supporting her family while becoming food secure. She waters all her plants from the RWHU. Due to her active, passionate and positive attitude along with friendly relationship with the community members Shehersaaz has appointed her to work as a "Community Champion". We wish her all the best and continue to see her grow into a proud "Entrepreneur".

International Disaster Risk Reduction Day

The International Day for Disaster Reduction (IDDR) is a global observance held every year on October 13th. This year's theme for the International Day for Disaster Risk Reduction 2023 revolved around "Fighting Inequality for a Resilient Future" Shehersaaz observed "International Day for Disaster Risk Reduction" (IDDR) at a local college in Dhoke Mangtal, Rawalpindi to promote a global culture of disaster risk reduction and resilience. This day helped raise awareness and understanding amongst students by informing them about risks they might face and ways to mitigate them, hence fostering a culture of preparedness and safety. Shehersaaz Star of the Month

Mr. Hamid Ullah joined Shehersaaz RWP Office on June 29, 2022 as "Social Mobilization Officer". Having education in Civil Engineering (Diploma Holder DAE) and not finding the right employment opportunity Shehersaaz engaged him as SMO, however upon seeing his interest and capabilities in the project he was later promoted as "Project Engineer" heading the Engineering Assessment works in both Nowshera and Rawalpindi. Hamid Ullah is a thorough professional and has great work ethics. He is indeed a wonderful addition to Team Shehersaaz.
