Stakeholder Meeting with special focus on SDG 11 & 13 hosted by [Shehersaaz](#) in collaboration with SDG Section was a massive success where information, challenges, facts and figures were brought forward paving way for the future recommendations and way out to carve a better Role of SDGs in reporting a better Pakistan.

PUCCAR STATISTICS:

1294 Rainwater
Harvesting Units
Installed

1,457,800
Litre water stored

16,121
Beneficiaries

Shehersaaz celebrated "World Water Day", a reminder of the vital importance of freshwater resources. From sustaining life to driving economies, water is fundamental to our existence.

Let's unite to protect and preserve this precious resource for future generations. On this day, let's pledge to promote water conservation and equitable access to clean water for all. Together, we can ensure a sustainable and water-secure future for our planet.

Community Spotlight

15 students from Dhok Hassue (Rawalpindi) participated in a creative and inspiring event where they connected with Dr. Shirley Yeung in Hong Kong to learn the Art of Chinese Painting using Ink and Natural Rubber Plant Stem. The "Restore the Nature with Innovations via SDGs and ESG" session featured around 70 participants from countries including Indonesia, the Philippines, and Pakistan. The girls, from grades 9th to 11th, showcased their talent alongside artists, teachers, parents, and students, making the event a vibrant success. We wish these young artists the best in their future endeavors.

Slogan of the Month

"Empower Women, Transform the World: SDG in Action!"

Focusing SDG 3 through the activity:

**3 GOOD HEALTH
AND WELL-BEING**
